

MEDITECH 6.0 Migration

MEDITECH 6.0 Migration

Streamline Your Migration to MEDITECH 6.0 with Forward Advantage

Migrating from MEDITECH MAGIC to 6.0 is a daunting task for any hospital. There are a number of factors to consider, and resources need to be readily available for effective interface analysis and project management.

The Solution

As MEDITECH 6.0 interfaces have evolved, it is vital to understand how the changes can impact your downstream systems and your staging to go-live. Hospitals migrating from MEDITECH MAGIC to 6.0 can take advantage of Forward Advantage's integration services to: (1) analyze your existing interfaces with our proprietary tool designed to expedite the process, (2) prepare an interface migration plan coordinated with your MEDITECH 6.0 go-live date, (3) provide project management, (4) deliver technical services to ensure your 6.0 interfaces meet the requirements of your receiving systems, and (5) support the interfaces during go-live. Forward Advantage has the resources to help you transition to MEDITECH 6.0 and the expertise to minimize interruptions.

Services:

- Interface assessment and analysis
- Project management
- Interface development and outsourcing
- Interface engine support and solutions
- Comprehensive resourcing available

Benefits:

- Streamline your migration process
- Receive customer-acclaimed support and expertise from a MEDITECH-endorsed vendor
- Reduce time, cost, and effort for migration
- Solid solutions that integrate seamlessly

Additional Migration Services

Forward Advantage offers additional services for customers migrating to 6.0 who want to maintain their existing MAGIC Office documents with an affordable alternative to Microsoft Exchange. Services include migration to Forward Advantage's FOX Mail and FOX Document Library. We also offer Document Imagine and Scanning (DISC) conversion services for customers migrating to MEDITECH's Scanning and Archiving (SCA) application. For additional information, please see the product sheets available for these solutions or contact a Forward Advantage sales representative.
